

Xtreme™

The completely new Little Giant Xtreme™ is the pinnacle of Little Giant's 40 years of engineering the strongest, safest, most versatile ladders in the world. The Xtreme combines the strength, safety and versatility of the classic Little Giant Ladder with several new groundbreaking features, including the Comfort Step™, AirDeck™ workstation, user-friendly Rock Locks™, and the stronger, safer Quad-Lock™ hinges.

The integrated Comfort Step serves as a spacious, comfortable standing surface at any height or configuration. When coupled with the AirDeck's safety handrail, the Comfort Step literally makes you feel like you are standing on solid ground.
