

Black

Easy-to-Use Simple Phone

1.4 inch LCD, Amber Backlight Universal Design

Easy-to-Use Handset

The handset features 1.4-inch, easy-to-read LCD (16-digit x 3-line dot display) with back-light for easy operation. Thanks to amber-colour backlight, you can confirm the phone number of the caller when there's an incoming call even at night.

Caller ID* Unique Technology

Easy Caller Identification

Thanks to Caller ID*¹ capability, you'll be able to see the phone number of an incoming call on the LCD. If the caller is registered in the phonebook, their name will be displayed.

* Requires subscription to Caller ID service offered by a telephone company.

One Touch Eco Mode Ecology

One Touch Eco Modes Let You Lower the Power Consumption

Easy to turn on eco mode by one touch pressing the eco button on the handset. In eco mode, the signal output is reduced by 90%*.

* Compared to the normal mode

Alarm Clock (once/daily) Unique Technology

Easy to Use Functions

You can use alarm function for wake up. It is available to set at once or every day same time.

Clear Sound Unique Technology

Even in the Backyard or Garage

High-precision error correction system ensures clear conversation with less voice interruptions, allowing you to enjoy a smooth, error-free conversation even when you're out in the backyard or garage, far away from the base unit.

SP-Phone Unique Technology

Hands-Free Conversation

You can use the speakerphone for hands-free conversations. Since you don't need to pick up the handset, this enables you to do other work while having a conversation.
